ORIGINAL HOME OFFICE™ *collection*

HOME OFFICE SOLUTIONS

Original Home Office components are completely modular, so you can create a home office anywhere with all the storage and desk space you need. Cabinets are loaded with special features like built-in power strips, working key locks and cord management.

smart, flexible and easy to work with

CRAFT SOLUTIONS

Original Home Office is a great solution for crafts, too. The Craft Station with Hutch offers loads of storage for supplies.

TOTAL DESIGN FLEXIBILITY

Choose from two cabinet finishes and four work surface sizes. Go with our standard antique brass label pulls or customize your look with a beautiful hardware upgrade.

SMALL & LARGE SPACES

There's no space too small or too large for Original Home Office. Work surfaces join cabinets together to create desks, credenzas and storage that accommodate virtually any space.

TOUGH SPACES

There's an Original Home Office solution for every space, whether you need to work around a window, turn a corner or go vertical for extra storage and display.

CRAFT STATION

Our Original Home Office Craft Station with storage has a big counter-height work surface with two flat file drawers beneath for sheet papers. Double faux-front drawer beneath holds boxes and supplies. Two file drawers have removable framing for letter and legal files. Hutch has six removable storage drawers and can stand alone on a table or counter. Four wooden dowels hold 30" rolls; three slender metal dowels handle any size ribbon. Poplar and veneers with white finish.

TIP

The Craft Station (without Hutch) is finished on all sides, so it can float away from walls.
