-Two person assembly suggested.

Remove all parts, hardware and protective packaging from carton and carefully arrange on a clean, level, padded surface.

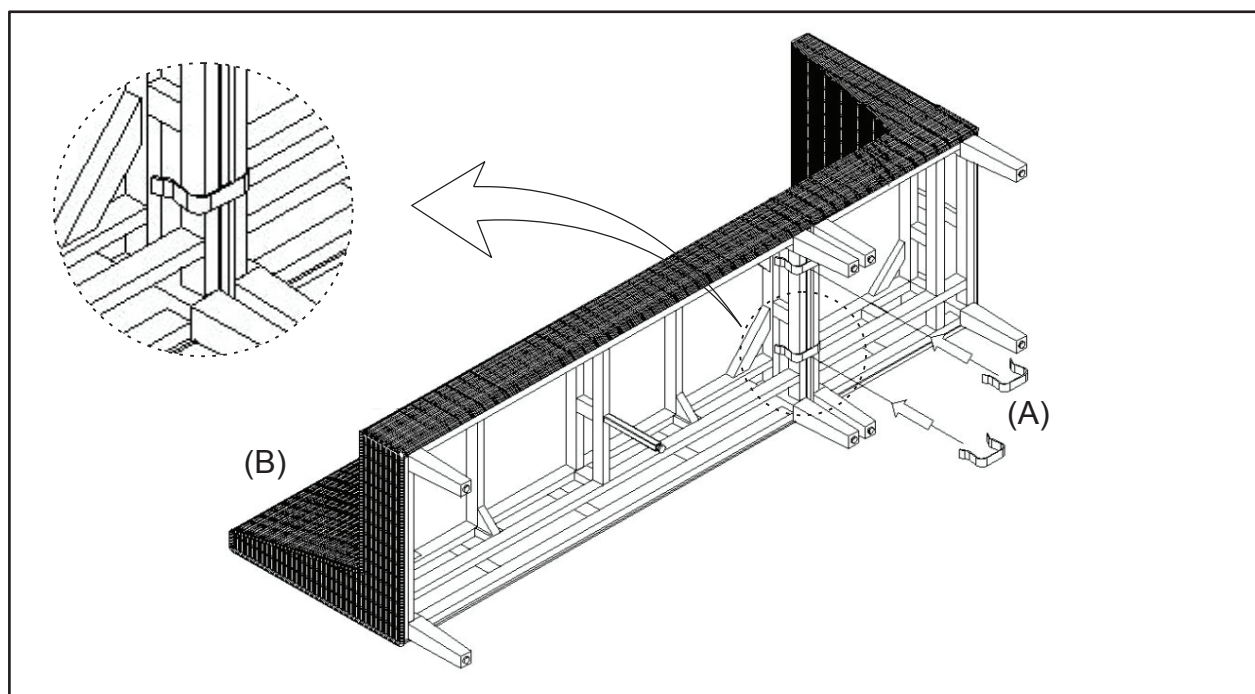

**NOTE:** To avoid accidentally discarding small parts or hardware, retain all carton contents until assembly and installation are complete.

Ltr.	Qty.	Components
B	1	 60" Bench (B)
C	1	 Middle Leg (C)

STEP 1: On a soft surface, turn Bench (B) onto its back and attach the Middle Leg (C) into the center by inserting and turning clockwise.

STEP 2: (For joining Corner unit or another Bench, otherwise skip this step.) On a soft surface, gently lay Bench (B) on its back and align other component. Slide and snap on two Clamps (A) to connect both units.

### Cleaning and Care

DO NOT use alcohol based products or spray polisher as they can damage the finish. Dust with a soft cloth.
