

PRODUCT NAME: Drapery Rod Straight Connector

ITEM NUMBER: WY030

DIMENSIONS: 6"L x 1 1/4" Diameter or 6"L x 3/4" Diameter

**NO TOOLS REQUIRED**

## INSTALLATION

- 1** Install Drapery Rod mounting brackets (sold separately) onto wall following instructions included with Rod Sets.
- 2** Straight Connector fits into middle between two Rods (sold separately). First, feed drapery/curtains/rings (sold separately) onto each Rod, then fit Rods into Wall Brackets. Turn and tighten Straight Connector onto end of one Rod. Finally, turn and tighten remaining Rod onto Connector. Complete.
